November / December 2013

There were 22 residential burglaries during the month of November, with 1 occurring at an active Block Watch residence. And – there were 26 residential burglaries during the month of December, with 0 occurring at an active Block Watch residence.

What Time Will Your Home Be Burglarized?

This is the time each year that I encourage neighborhoods to schedule a Block Watch meeting. I've heard many reasons as to why folks aren't making time for these meetings. But none of those will matter if you come home some evening to find your door forced, window broken, or your slider shattered and evidence that some burglar has entered your home, touched your personal belongings, and relieved you of several of your valuable or sentimental items. It's a horrible feeling to have your home burglarized, and it breaks my heart when I hear from homeowners who have gone through it.

But here's your opportunity to lessen your chances of becoming a victim. Look at the statistics on these newsletters each month, and understand that if you make the time to attend a Block Watch meeting *at least once a year*, the chances of you becoming a statistic lessens considerably.

I understand logistics can sometimes play a part in the planning process for these meetings, but you don't necessarily have to conduct them within your *own* neighborhood (although that assists with attendance). You can contact your local school, community center, or public library and reserve a room there.

If you're concerned about not enough people showing up for the meeting, I'm releasing you of that responsibility! I will conduct the meeting with whomever shows up. 😊 At least it's getting something started which is the important part.

Burglars don't make appointments and the law of large numbers shows that you or somebody you know will be burglarized at some point. It's a horrible violation of the peace and sanctity of your home. You do not want this to happen to you – trust me!

Talk with your neighbors, see who might be interested, and move forward with your commitment to help in making your neighborhood a safer and more peaceful environment for all who live there. Contact me to schedule your meeting: 425-430-7521.

ARISE IN NEED PLEASE!

The Renton Meal Coalition is in desperate need of donations of snacks (individually wrapped granola bars, peanut mix, raisins, etc.); fruit like bananas and mandarin oranges, breakfast cereal or individually wrapped breakfast pastries and items for lunches (sandwich meat, cheese, fruit for lunches, individual packages of cookies or chips and string cheese). These items will help the homeless men at the ARISE shelter who are working towards self-sufficiency and permanent housing. Items can be taken to the Salvation Army, 720 Tobin Street, Renton, Monday through Friday, 9 a.m. to 4 p.m., or 5:30 p.m. to 6:30 p.m., during the community supper. Let the Salvation Army staff know these items are for ARISE. Thank you in advance for your thoughtfulness.

Clubs Still Available!

When you leave a car unlocked or valuable property in plain sight, you attract car prowlers. If you leave your car running unattended (either to warm it up or to grab a “quick” cup of coffee from a convenience store), you attract opportunistic car thieves. Once a car has been stolen, it can be used to commit other crimes (such as mail theft, burglary, robbery, etc.) and could even possibly be used to flee from the police. Dangerous and sometimes deadly traffic pursuits can be the end result of an auto theft. By protecting your vehicle, you could be helping prevent many other crimes from occurring.

Combined with locking your car doors, rolling up your windows, and removing all personal belongings from your vehicle, a steering wheel locking device (such as The Club®) can be an effective auto theft deterrent. An auto thief can easily see The Club®, even before they break out a window or begin prying on your door locks. The device is difficult to remove and makes it more difficult for a thief to steal your car.

The Renton Police Department is pleased to offer The Club® (steering wheel locking device) for \$12.03 (regular size) and \$13.68 (larger size). This security device normally sells for up to \$30 in retail stores. You can purchase one directly from the Crime Prevention Unit – **by appointment only** - at the Renton Police Department, 1055 S Grady Way, 2nd Floor. Purchase will be limited to 3 locks per person. (Checks only.)
